SESSIONAL PAPER No. 10c

ANNUAL REPORT OF MR. G. O. BUCHANAN, SUPERVISOR OF  
LEAD BOUNTY CLAIMS.

KASLO, B.C., January 10, 1916.

F. C. T. O'HARA, Esq.,  
Deputy Minister,  
The Department of Trade and Commerce,  
Ottawa.

SIR,—I have the honour to report, that the price of lead in London, has ranged from £18 5s. on January 22, to £30 5s. on December 30 of the year 1915.

As these prices are above the limit at which bounty is paid, no claims for bounty have accrued during the year.

The only lead smelter in operation in Canada during the year has been that of the Consolidated Mining and Smelting Company of Canada, Limited, at Trail, B.C.

The receipts of lead in ore for 11 months, to November, 1915, have been 40,352,756 pounds. I estimate that the receipts for December have been 4,000,000 pounds, making a total for the year of 44,352,756 pounds, or some 7,000,000 pounds less than the receipts for 1914. More than one-half of this has been the output of the Sullivan mine. The low price of silver and the lack of smelting facilities for zinc, have combined to keep many of the mines in idleness.

In view of the long continued range of high prices, and the probability that these will continue until the end of the war, the office of the supervisor has been closed, and the salary reduced to a small retaining fee.

I have the honour to be, Sir,  
Your obedient servant,

G. O. BUCHANAN,  
*Supervisor of Lead Bounty Claims.*

ANNUAL REPORT OF MR. J. C. WADDELL, INSPECTOR OF  
BINDER TWINE AND CORDAGE BOUNTY CLAIMS.

PETROLEA, ONT., January 31, 1916.

F. C. T. O'HARA, Esq.,  
Deputy Minister,  
The Department of Trade and Commerce,  
Ottawa.

SIR,—As Inspector of Binder Twine I beg to hand you herewith my annual report for the calendar year 1915.

Having during the year visited all the factories and principal twine centres, I beg to report that I find all the twine conditions very satisfactory. The manufacturers have during the year manufactured a very large quantity of binder twine, a greater quantity than in 1914, and I find the twine to be of a high standard of quality, and to give good results.

The total output for the year amounts to fifteen thousand seven hundred and seventy-eight (15,778) tons, an increase of four thousand tons for the year.

The firms manufacturing twine are as follows:—

Consumers Cordage Company, Montreal and Halifax.  
Plymouth Cordage Company, Welland, Ont.  
Brantford Cordage Company, Brantford, Ont.  
All of which is most respectfully submitted,

I have the honour to be, Sir,  
Your obedient servant,

J. C. WADDELL,  
*Inspector of Binder Twine, etc.*

SESSIONAL PAPER No. 10c

ANNUAL REPORT OF MR. J. C. WADDELL, SUPERVISOR OF CRUDE  
PETROLEUM BOUNTY CLAIMS.

PETROLEA, ONT., January 31, 1916.

F. C. T. O'HARA, Esq.,  
Deputy Minister,  
The Department of Trade and Commerce,  
Ottawa.

SIR,—As Supervisor of Crude Petroleum Bounties I beg to hand you herewith my annual report for the calendar year 1915.

In making up the annual report of the oil production "crude petroleum" for the year ending December 31, 1915, we find on comparing the figures of the past two years, that the year 1915 has an increase in production of about 2,000 barrels. This speaks well for the Lambton County Oil Fields, as for something over 50 years, or to be more correct as to date, since the fall of 1862, oil has been produced continuously in this territory.

The showing of the figures, as indicated, is a source of satisfaction to oil producers and drillers, as it goes to show the permanency of the field. It has always been the opinion of oil men that when the drilling in of new wells ceased that the production would greatly decrease; this has not been the case, as very little if any drilling has been done for about three years, and we now find the production larger than the previous year.

This really wonderful oil territory of Lambton County may still do better, as a great deal of territory has yet to be tested, and as the price of crude oil is higher than some months ago, drilling operations are likely to start again and good results may be expected.

All of which is most respectfully submitted,

I have the honour to be, Sir,  
Your obedient servant,

J. C. WADDELL,  
*Supervisor of Crude Petroleum Bounty Claims.*

## GOLD AND SILVER MARKING ACT, ADMINISTRATION OF.

ANNUAL REPORT OF MR. W. J. RYAN, INSPECTOR UNDER  
GOLD AND SILVER MARKING ACT.

Toronto, January 31, 1916.

F. C. T. O'HARA, Esq.,  
Deputy Minister,  
The Department of Trade and Commerce,  
Ottawa.

SIR,—I beg to report the operations of the Gold and Silver Marking Act as administered by the Department of Trade and Commerce for the year 1915.

There were fifteen offenders brought into court, all of whom were found guilty and fined. Classified there were: Departmental stores (2); retail jewellers (7); manufacturers' agents (2); auctioneers (2); druggist (1); travelling optician (1).

The departmental stores are prone to offend through their advertisements in the daily press by exaggerating greatly the merits of the articles advertised, and in many cases misrepresenting them. It is only in such cases where there is deliberate misrepresentation of quality that the Act is enforced.

In the case of the retail jewellers they were all prosecuted under section 8 for offering for sale wedding rings made by themselves and marked to be from two to three karats finer quality gold than they actually were.

The punishment meted out to the auctioneers that were brought into court and fined (\$400) and ultimately closed up by the municipal authorities will deter many such from coming into Canada with a quantity of inferior jewellery, silverware and watches, and renting a store previous to Christmas, and getting out immediately after the Christmas trade is over.

I am glad to report that the greatest offenders previous to the Act are now the greatest observers of its requirements, that is the manufacturers' agent, particularly the one who sold foreign-made goods. With them it was a question of price only. Now that they have to establish the quality of their goods in conformity with the Act, they find their trade restricted.

The manufacturers' agents who were convicted, were endeavouring to sell goods in Canada made in the United States, and bearing the reputable marks of Sheffield.

The enforcement of the Act has been greatly facilitated by the amendments to sections 13, 14 and 15 that were assented to April 15, 1915. Of the fifteen offenders brought into court, fourteen were tried summarily, as the Act now provides.

I beg to report in conclusion, that the sum of six hundred and twenty-five dollars (\$625) was paid in fines and remitted to the Receiver-General to form part of the Consolidated Fund of Canada as provided for in section 17 of the Act.

I have the honour to be, Sir,  
Your obedient servant,

W. J. RYAN,  
*Inspector under the Gold and Silver Marking Act.*

SESSIONAL PAPER No. 10c

INSPECTION OF CERTAIN STAPLE ARTICLES OF CANADIAN  
COMMERCE INSPECTED UNDER PROVISIONS OF CHAP. 85  
REVISED STATUTES OF CANADA AND AMENDMENTS  
THERE TO.

Before proceeding to tabulate the inspection of the different commodities dealt with in this Act, it is deemed advisable to make reference to an important amendment to same, known as chapter 36 of the statutes of 1914.

It provides for certain markings on barrels, bags and packages of flour, cereals and feed, and the weights per bushel and bag for vegetables, and its provisions apply to all Canada.

With respect to *Feed* due provision is made to ensure that the purchaser shall get what he is paying for. The proportion of the different ingredients which go to make up the weight of the bag must be marked thereon.

Over 250 letters have already been written in response to persons and companies making inquiries about the application and scope of this Act, (Chap. 36).

The principal sections concerning flour, cereals and feed are as follows:—

**“164.** Every barrel or half-barrel of flour, meal, rolled oats or rolled wheat, packed for sale, shall, by painting or branding on one end thereof, be plainly marked:—

“(a) with the initials of the Christian name and the surname at full length of the packer or the person for whom such barrel or half-barrel is packed, and with the place of business of such packer or person; or, where such barrel or half-barrel is packed by or for a copartnership or incorporated company, with the firm name of such copartnership or the corporate name of such company and with the place of business of such copartnership or company; and,

“(b) with the brand and weight of the flour or meal therein contained; and,

“(c) with the tare of the barrel or half-barrel.”

**“164A.** Every bag, sack or similar package of flour, meal, rolled oats, rolled wheat, or feed shall be plainly marked,—

“(a) with the initials of the Christian name and the surname at full length of the packer or person for whom such bag or package is packed, and with the place of business of such packer or person; or, where such bag, sack or other package is packed by or for a copartnership or incorporated company with the firm name of such copartnership or the corporate name of such company and with the place of business of such copartnership or company; and,

“(b) with the brand and the weight of the contents of the bag, sack or package;

“(c) the provisions of paragraph (b) as to brand shall not apply to feed, but the composition of the feed in each container shall be stated.”

**“164B.** The provisions of sections 164 and 164A of this Act shall not apply,—

“(a) when flour, meal, rolled oats, rolled wheat or feed is, in the presence of the purchaser, and for his own use, weighed and put into the barrel, half-barrel, bag, sack, or other package; nor,—

“(b) when any of those articles is sold for export out of Canada, if the purchaser requests that the marks, or any mark, required by the said sections be not put upon the barrel, half-barrel, bag, sack or other package.”

6 GEORGE V, A. 1916

“**175A.** Every person who sells, offers for sale, or has in his possession for sale, any bag, sack or similar package of flour, meal, rolled oats, rolled wheat or feed, which is not marked in accordance with the requirements of section 164A of this Act, shall be liable, on summary conviction, to a penalty of one dollar for every bag, sack or package not so marked; without prejudice to the civil remedy of any person aggrieved for any damage sustained by him.”

WEIGHTS PER BUSHEL AND BAG OF THE UNDERMENTIONED ARTICLES AS PROVIDED BY SECTION 337 OF CHAPTER 36, AMENDMENT TO INSPECTION AND SALE ACT, CHAP. 85, WITH PENALTY CLAUSE.

“**337.** A bushel of any article mentioned in this subsection shall mean, unless a bushel by measure is specially agreed upon, that number of Dominion standard pounds of such article which are shown in this subsection opposite the name of such article:

FEES CHARGEABLE UNDER THE INSPECTION AND SALE ACT CHAP. 85.

FLOUR AND MEAL.

For such inspection and branding and marking the person who required the inspection thereof shall pay to the inspector for each and every barrel and half barrel of flour or meal so inspected and branded or marked the sum of two cents exclusive of the charge for cooperage, before such flour or meal is removed; and when any less quantity than one hundred barrels of flour or meal is offered for inspection at one time, the inspector shall be entitled to receive the full fees that would accrue to him on one hundred barrels.

As soon as any flour or meal is inspected, a bill of inspection shall be furnished by the inspector or deputy inspector without fee or reward, specifying neatly and legibly the quantity and quality ascertained by inspection, the gross weight of 5 per cent thereof, and the tare of 1 per cent thereof and the charges therefor, and the name of the mill at which the flour or meal was manufactured.

When the inspector in his judgment deems it necessary to strip or empty out the flour to find out if there is the proper weight of flour in any cask he shall be entitled to two cents for each barrel so stripped or emptied if it proves to be short weight in addition to the two cents per barrel for inspecting and branding

ANNUAL REPORT OF MR. ELZEAR COTE, CHIEF INSPECTOR OF  
HIDES—QUEBEC.

F. C. T. O'HARA, Esq.,  
Deputy Minister,  
The Department of Trade and Commerce,  
Ottawa.

SIR,—I have the honour to transmit my report for the year ending December 31st, 1915.

During the year I visited the following places the number of times set forth after each:— Victoriaville (1) to enquire into the necessity of appointing an inspector there; Levis (2) to enquire as to need for inspector at that place. At neither of these places did the business offering merit the appointment of an inspector. To investigate complaints I visited Ste-Marie de Beauce (1), St-Malo (6), Limoilou (3), City of Quebec to tanneries (24).

In addition to the 24 special visits, I also visited the Quebec City tanneries twice weekly to make tests.

Montreal I visited three times, once to inspect the methods of inspection there, and twice to investigate serious complaints made about faulty inspection.

This, sir, summarizes my transactions for the year above mentioned.

I have the honour to be,  
Sir,  
Your obedient servant,

ELZEAR COTÉ.  
*Chief Inspector of Hides.*
